

Hasan Fadhil Hussien

Address: Baghdad / Iraq

Mobile: +9647735741998

Email: hasan.fadhil@bcms.edu.iq

Date of Birth: 6/10/1984

Language: Arabic, English

Education qualification:

- Master degree of science in organic chemistry / Al-Nahrain University
- Bachelor degree of chemistry science / Al-Nahrain University

Employment History:

- Assistant lecturer at Baghdad College of medical sciences /pharmacy department / pharmaceuticals chemistry and pharmacognosy since 2011 till present.

Published researches:

- Synthesis and Antimicrobial Activity of 1-(5-Mercapto-1,3,4-Oxadiazol-2-yl)-2-(Pyridine-2-ylamino)ethanone
- ENHANCE SOLUBILITY AND PROLONG RELEASE OF PROCHLORPERAZINE MALEATE USING FLOATING NANOEMULSION IN SITU GEL
- THE PROTECTIVE EFFECTS OF BEETROOT AGAINST DEXAMETHASONE INDUCED DAMAGE IN LIVER, KIDNEY AND HYPERLIPIDEMIC EFFECTS IN MICE
- THE PROTECTIVE EFFECTS ABELMOSCHUS ESCULENTUS PODS SKIN AND SEEDS AGAINST NICOTINE INDUCED LIVER
- spectroscopic, Identification and antimicrobial evaluation of new Heterocyclic ligand and its organometallic complexes
- Electronic transfers and (NLO) properties predicted by an initio method with prove experimental.
